

Are you ready to drive strategic projects and work directly with our CEO in an international company?

Frey is looking for a top student with a challenger mindset. If this is you, then this is your ticket to join Aarhus' coolest start-up and to gain responsibility and valuable experience from day 1 in the role as Strategy Analyst. If you enjoy solving business cases, is a financial whizz and a master of power point, then this is the perfect opportunity for you!

Reporting straight to our CEO, you will have a unique opportunity to become part of an exciting growth journey and touch upon several aspect of the business. Your main responsibilities will be supporting the CEO via day-to-day tasks directly related to the decision-making process with the whole leadership team. If you have the ambition and drive to make a difference, you will hit a steep learning curve, gain your own areas of responsibility, and become an important part of driving strategic initiatives in Frey.

For the right candidate and subject to stellar performance, full time employment is on the table after graduation.

Role and Responsibilities:

- Supporting the CEO and leadership team on a daily basis with strategy and business development priorities.
- Drive selected strategic projects from kick-off to delivery, including financial and strategic analysis, and implementation of improvement initiatives.
- Development of analysis, presentations and material in relation to the strategic agenda of the company.
- Identify areas for improvement and pitch solutions.
- Can work at least 20 hours per week on a flexible schedule.

Expected Skills and Experience:

- You are enrolled in a relevant university level education.
- You are among the top students in your class and have initiated or are about to initiate your masters.
- You are a financial whizz and a master of power points.
- Have an interest in financial analysis and strategy.
- You are well structured with a flair for marketing and communication.
- You are independent and ready to actively take responsibility and ownership.

Job start will be as soon as possible. We will be screening candidates on an ongoing basis.

If you have any questions about the position, please contact Jeff Løcke Laursen (+45 5114 6695 or jll@freycommodities.com) for more information. Please send your application, including cover letter, CV and grade transcript, to: job@freycommodities.com, marked "Analyst".

About Frey:

Frey makes the market for containerized agricultural commodities more efficient and creates opportunities by connecting a data-driven trading mindset to a world-class infrastructure and logistics expertise.

Frey is a venture owned by Maersk Growth.
