

Financial Controller

Are you a skilled number cruncher adept at mastering finance and accounting challenges, who enjoys performing monthly reconciliations of accounts? Are you motivated by optimizing and contributing to all aspects of financial management and being part of a fast-growing international company? Then make a smarter move and unleash your potential as Financial Controller in Frey.

Role & Responsibilities:

We are expanding our Finance team and are seeking a new Financial Controller to initially focus on financial controlling, preparation of weekly/monthly reconciliation of accounts, and automation of reconciliation procedures between ERP- and TMS systems in the Parent Company.

You will closely collaborate with the team on rethinking and optimizing Frey's best practices in the realm of accounting and reporting models across our various entities. We expect you to deliver on day-to-day accounting tasks, along with monthly closing procedures and periodic reporting to stakeholders, while ensuring that Frey adheres to applicable national and international regulations impacting finances.

We offer a full-time position located at our HQ in Aarhus, Denmark. You will be part of our Finance & Risk team, working in an entrepreneurial work environment and reporting directly to our Head of Finance & Risk.

Your main responsibilities will include:

- Preparation of weekly/monthly reconciliation of accounts e.g., expense analysis report and liquidity forecast report.
- International day-to-day accounting tasks, monthly closing, and periodic reporting to stakeholders.
- Assist on the automation of reconciliation procedures between ERP- and TMS system in the Parent Company.
- Ensure debits and credits are correctly reflected in financial reports and contribute accurate financial data for the preparation of financial statements.
- Participate in preparation of the Company's budget and annual report.
- Monitor and manage cash flow to ensure that Frey has sufficient funds to meet its financial obligations.
- Compliance and credit controls, ensuring exposure limits and counterparties are in line with Frey's Risk Policy
- Assist with various ad hoc assignments within Finance

Expected skills & Experience:

As our new Financial Controller, you will be part of an international culture with colleagues and stakeholders around the world. Whereof, we expect you to be comfortable communicating both in written and verbal English and Danish. Furthermore, we expect that you:

- Have a minimum 2 years of experience in an accounting role
- Proficient in managing spreadsheets for invoicing and billing, debits and credits, ensuring accurate financial transactions and journal entries.
- Solid understanding of financial principles and accounting standards
- Preferably experience with ERP systems.
- Possess an analytic and financial based mindset that enables you to take responsibility for financial processes.
- Work well independently with a focus on knowledge-sharing with the team.

About Frey:

We optimize containerized agricultural commodity flows by unifying diverse global expertise and backgrounds with an ambition for growth and a strong belief in simple, digital, and transparent trading of commodities providing affordable possibilities for any kind of business. We are entrepreneurs with advanced expertise in trading, logistics, and data that utilize technology and great minds to connect local businesses with suppliers across the globe, enabling new access and opportunity to markets, materials, and products. In short, we make commodity trading easy, efficient, and affordable. By living our values of being Trustworthy, Rethinking, Ambitious, Data-driven, and Entrepreneurial, we rethink commodity trading and logistics and build a culture of empowering our employees to challenge the status quo and make a smarter move.
