

Unleash your potential as Senior Accountant

Are you a skilled and dedicated Senior Accountant, who brings accountability to work and enjoys delivering high-quality accounting services in a professional work environment? Do you master all aspects of financial accounting and are motivated by ensuring basic accounting practices are updated and best in class? Then make a smarter move and unleash your potential as Senior Accountant in Frey.

Role & Responsibilities:

We are expanding our Finance team in Aarhus and seeking an experienced Senior Accountant to handle our daily financial accounting. We offer an opportunity to utilize previous accounting and financial experience to take ownership of national and international day-to-day accounting practices and processes and establish well-defined control points for the organization to follow.

You will collaborate closely with the entire team on controlling and refining Frey's best practices in the realm of accounting across our various entities.

Your main responsibilities will include:

- International day-to-day accounting and reconciliation
- Handling of supplier invoices, including payments
- Accounts receivable, invoice control, dunning procedure, payment registration etc.
- Daily Bank reconciliation
- VAT reconciliation, reporting and payment
- Reconciliation of balance sheet accounts, including control and posting of periodization and accruals
- Contribution to documentation for monthly- and annual reports.
- Wages and Salaries, control, payout and reconciliation

Expected skills & Experience:

As our Senior Accountant, you will be part of an international culture with colleagues and stakeholders around the world. Whereof, we expect you to be comfortable communicating both in written and verbal English and Danish. Furthermore, we expect that you:

- Have 5 years of experience in a similar role
- Proficient in taking ownership of day-to-day accounting practices
- Solid understanding of financial principles and accounting standards, securing financial transactions and journal entries are entered correctly.

- Strong experience with basic accounting functions in ERP systems (E-conomics, Navision/Business Central or similar)
- Possess a financial mindset that enables you to take responsibility for financial processes within accounting, securing tight control as a foundation for our business.

About Frey:

We optimize containerized agricultural commodity flows by unifying diverse global expertise and backgrounds with an ambition for growth and a strong belief in simple, digital, and transparent trading of commodities providing affordable possibilities for any kind of business. We are entrepreneurs with advanced expertise in trading, logistics, and data that utilize technology and great minds to connect local businesses with suppliers across the globe, enabling new access and opportunity to markets, materials, and products. In short, we make commodity trading easy, efficient, and affordable. By living our values of being Trustworthy, Rethinking, Ambitious, Data-driven, and Entrepreneurial, we rethink commodity trading and logistics and build a culture of empowering our employees to challenge the status quo and make a smarter move.
